What are the details for the Elopement Dinner?

The elopement dinner is held in our Ledges Dining room immediately following the ceremony. The dinner in Ledges dining room is an order off the menu dinner that includes one choice of either soup du jour or garden salad with house dressing, entrée off the menu, and dessert off the menu or a scoop of ice cream served with your wedding cake. A glass of house champagne is included for the Bride and Groom. A personal wedding cake for two is included in the package and consists of a white cake with white frosting. The Ledges dining room is open to the public 7 nights per week, and there will be other guests in the dining room during our dinner hours.

The maximum number of guests that can be accommodated in the Ledges dining room with an elopement package is **10 guests** (including children).
